

T-shirt – Print Guide

Front

GFG Graphic Sizing

The width of the GFG Graphic rosette should equal one-third of the measurement between the side seams on the front of the T-shirt.

GFG Graphic Positioning

The GFG Graphic rosette should be centred between the side seams of the T-shirt, so that it is aligned with the centre of the T-shirt's neck.

The GFG Graphic rosette should be positioned below the T-shirt neck seam, a distance equal to the height of the "GIVING FOR GOOD" text.

Back

Back Print Sizing

The width of the VOLUNTEER and IHG Logo lock-up should be equal to 70% of the measurement between the sleeve seams on the back of the T-shirt.

Back Print Positioning

The VOLUNTEER/IHG Logo lock-up should be centred between the sleeve seams of the T-shirt, so that it is aligned with the centre of the T-shirt's neck.

The VOLUNTEER/IHG Logo lock-up should be positioned below the T-shirt rear neck seam, a distance equal to twice the height of the VOLUNTEER text.
